### Fast Internet

Send and download data  
faster than ever before  
— with fibre-optic internet  
and 5G in the mobile offer.

### Full Convenience

Download a simple mobile  
app and manage your  
service directly from  
your phone.

### Easy Payments

Choose from modern  
payment options:  
debit/credit card, BLIK,  
or online payment.

### Speed and Innovation

The entire purchase process  
takes place via the app or  
website — no need to visit  
a store. Just order and  
you're done.

### Eco-Friendly

No need to sign paper  
documents — everything  
is done online, including  
identity verification.

### No Invoices

No more remembering  
to pay — payments are  
charged automatically  
each month.
